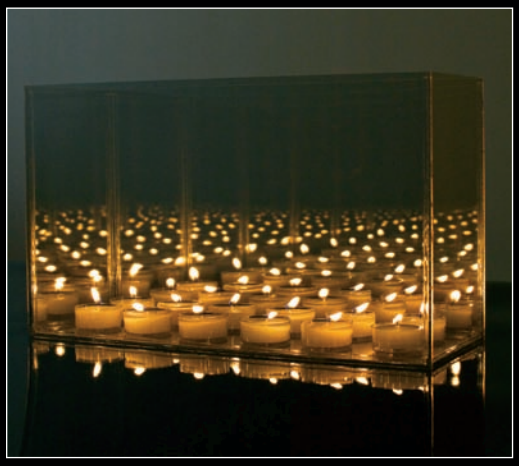
Screen Time

Wedding planner extraordinaire and Editor's Circle member Mary Dann-McNamee introduced us to an exciting new way to capture and relive your wedding memories. **My Video My Voice** has created a line of "albums" that allows you to upload audio and video content of your special day, then view it on a paper-thin interactive player embedded in the book. The revolutionary AmeriChip technology holds up to 45 minutes of content divided into five separate clips accessed through personalized buttons. You can choose from a variety of styles, colors, and sizes that can be customized into video wedding albums, favors, or unique save-the-date cards. Batteries can be re-charged more than 500 times, and personalization is available for front titles and interior text. *Pricing varies by design and customization; myvideomyvoice.com, 888.702.3382.*

The Color Purple

Jewelry has long been a favorite among traditional gifts for bridesmaids, but most baubles don't benefit an extremely worthy cause. **The Pancreatic Cancer Action Network** offers a lovely selection of sterling silver pieces in their easy-to-navigate online store, and all of the net proceeds benefit the organization. A 501(c)(3) non-profit, The Pancreatic Cancer Action Network offers a comprehensive set of programs and services designed to advance research, support patients, and create hope for those who have been affected by pancreatic cancer. Consider gifting your bridesmaids with beautiful tokens that can touch lives and make a difference, as well as express your love and appreciation. *Shown here: sterling bracelet with lavender Swarovski crystals and attached "Hope" charm, $45; lavender Swarovski-crystal earrings, $22; pancan.org.*

Mirror Image



If the romance of candlelight is a must for your wedding, the **Mirror Box** will deliver – even if your venue has a rule that prohibits open flames. Made of mirrored Plexiglas®, the rectangular box reflects the tea lights within to create the illusion of thousands of candles. The box is deep enough to meet the standards of those pesky open-flame policies, and the look is so amazing that photos cannot do it justice. *For pricing and availability, email event@feteny.com.*

Wedding 911

Bridal emergency kits have been available for years, but the bulky styles and frilly aesthetics have made some brides cringe at keeping them within reach. A sophisticated kit that folds into a chic compact purse, the **Bride Mojuba** can be carried openly on your big day. Filled with fixes for wedding-day emergencies, the Bride Mojuba holds rice powder for blotting and shoe cushions for tired toes in addition to staples like a sewing kit and fashion tape. Every essential is beautifully tucked away, and the purse can be reused as an elegant travel kit. *$165; mymojuba.com, 877.276.1895.*
